East Midlands Cider Makers.

Note: This list is not exhaustive. Some makers may only have bottled ciders.

Local Cider is within **25 miles by road** from the pub. *LocAle (for beer)* is within 20 miles by road from the pub for Nottingham CAMRA.

Advice: Try ordering a couple of different **10L (17 pint)** Bag-in-Box ciders (or even 5L / 8pt if available) rather than a single 20L (36 pint) BiB - this allows variety, change & choice to happen more quickly.

Part A covers the cider makers featured on the East Midlands Cider & Perry Bar at the Nottingham Robin Hood Beer & Cider Festival **ONLY**.

Part B covers cider makers who are East Midlands makers but their products may not meet the requirements for a CAMRA Cider Bar and associated CAMRA Cider Competition, or they may have been out of stock.
